2022 Golf Outing Information

*Thank you for considering Turtle Creek Golf Course for your golf outing. **Please complete and return the attached contract with your deposit of \$5.00 per golfer, with a minimum payment of \$100.00.** You may use the deposit towards the cost of your outing. Upon receipt of the signed agreement and deposit, starting times will be reserved for your group.*

You must call Fourteen (14) Days in advance to confirm the final count for your group.

*You will be charged for that final number of golfers since setting a starting time and blocking our schedule for your outing means denying anyone else from booking those tee times. Please note that to meet Turtle Creek insurance requirements, anyone on the course (adults/children) must be a paid, playing golfer. **In addition, payment of 50% of the total amount of golf and prearranged food fees is also due Fourteen (14) days in advance of the tee times cannot be held.***

*To prevent mass confusion and make it more convenient for you and your group, it is preferred that you collect greens fees from your group prior to the start of your outing and that only you settle your account at the front desk. **Please have your group ready at the tee 15 minutes prior to the first scheduled tee time.***

Your format for play must be approved by the Director of Golf. No replays or play offs are permitted at the completion of your round without the approval of the same. Replays permitted must be paid for in the pro shop at the going replay rate.

In the event of inclement weather or other unforeseeable occurrences which may cause cancellation or postponement of this outing, a mutual acceptable date for the postponed event will be set. If adequate notification time exists as specified in the provisions of this contract, the number of golfers, golf carts or prearranged food may be changed in a manner acceptable to both parties and a new contract will be prepared. In cases of severe weather, the course Superintendent will be the deciding agent to allow play with no restrictions.

If lightning occurs during your golf outing, all play will be suspended until the danger passes. A mandatory waiting period of 1/2 hour from the last strike will follow before any determination is made on whether play may resume. If play cannot be resumed, a credit will be issued for the holes not played.

PLEASE NOTE: IF THE COURSE IS OPEN, YOU WILL BE RESPONSIBLE FOR YOUR TEE TIMES.
